TRAVEL VACCINATION POLICY

For travel abroad with advanced notice:

You should call into the health centre to collect a Travel Vaccination form preferably at least 8 weeks before your departure date.

You should return your completed form preferably at least 8 weeks before you are due to travel abroad.

This 2 month notice period ensures that we can process requests and book appointments in good time for all your vaccinations to take effect.

Once we have received the completed form, our nurse will check your vaccination record against recommended vaccinations you require and book a suitable appointment for you. The nurse will also advise you whether there will be a charge.

The current prices for travel vaccinations are:*

Vaccine	Price
Hepatitis B	£70 for course
Hepatitis B	£25 single vaccine
Meningococcal ACWY (Menveo)	£50
Yellow Fever (including certificate)	£55
Rabies	£140 course
Rabies	£50 Single vaccine
Private prescription for Anti-Malarials	£8
Hepatitis A	Free
Typhoid	Free
Japanese Encephalitis	Price on request
Tick Bourne Encephalitis	Price on request

*Up to date August 2012

For Travel abroad at short notice:

If you are departing in less than 2 months, we will do our best to accommodate you – Please do get in touch.

You can find out recommended vaccinations for different countries by visiting www.fitfortravel.nhs.uk
